City of Hinesville, Georgia, Council Meeting

Date: September 15, 2022
Agenda Item: Kelly Drive Sidewalk Project
Prepared by: Paul Simonton
Presented by: Paul Simonton

PURPOSE: To provide pedestrian facilities along Kelly Drive for citizens currently using the roadway for walking in the neighborhood.

BACKGROUND: Sidewalks were installed along Pineland Ave, Glen Braynt Road and a section of Kelly Drive in the past. This project will extend the sidewalk further into the community and provide a safe haven for walkers in the area from Pineland Ave. to Live oak Rd at Amanda Lane.

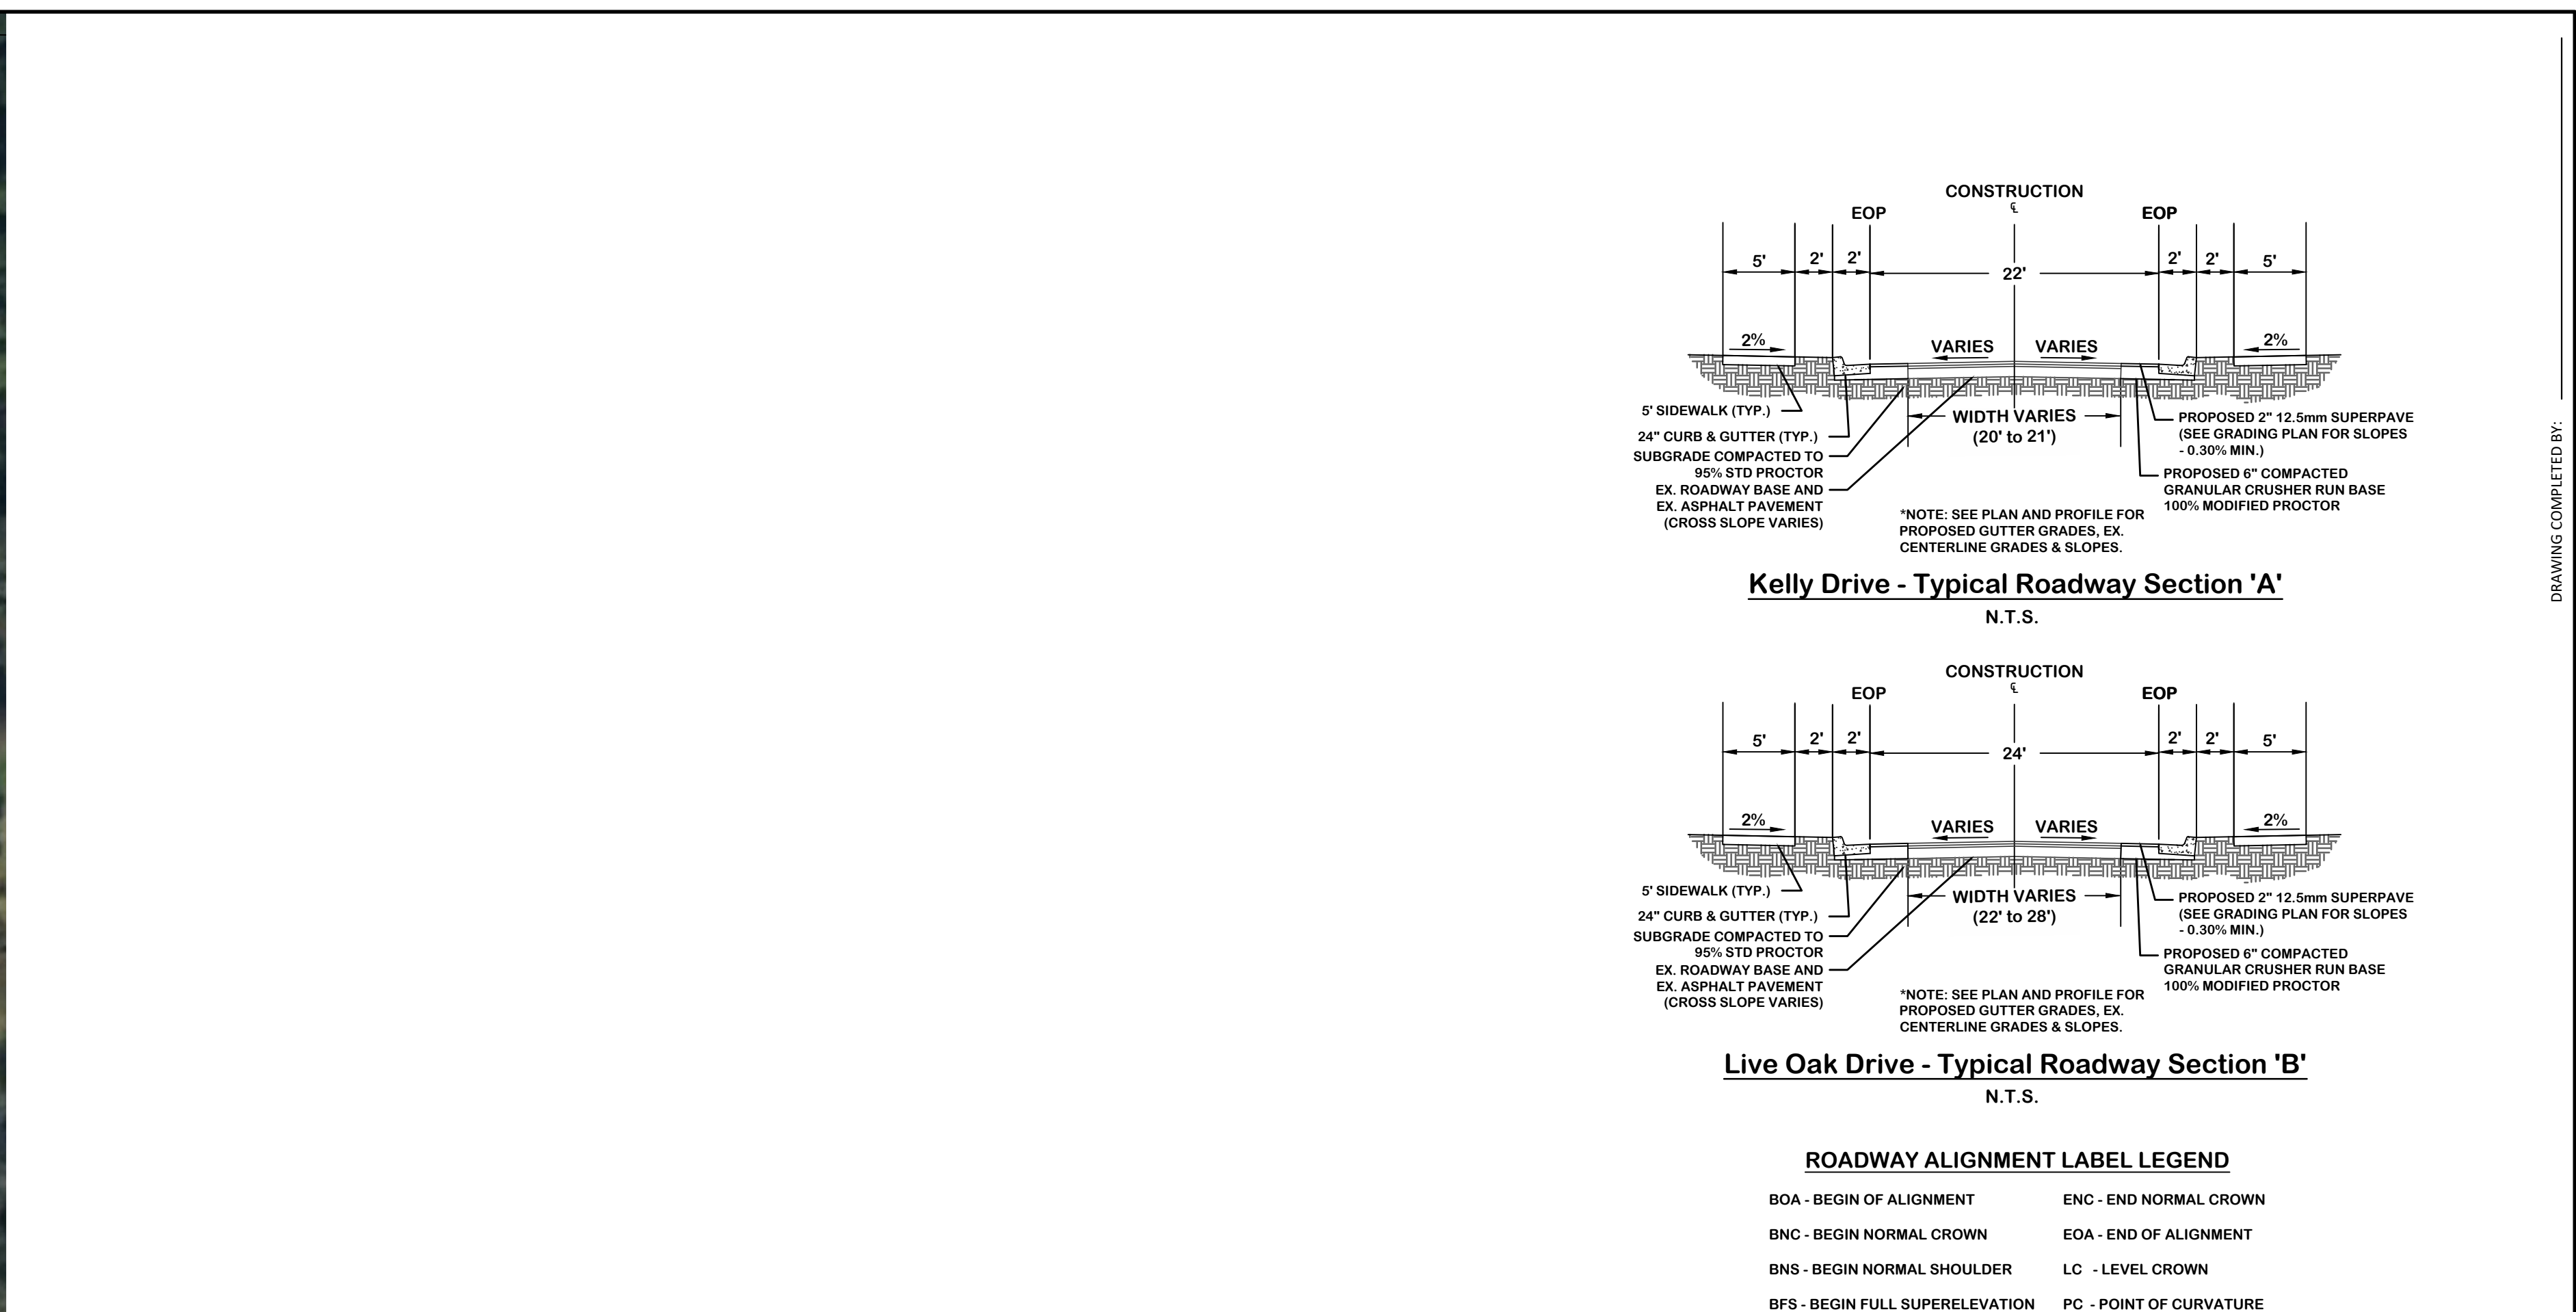

FUNDING: TSPLOST - Cost is estimated at \$750,000

RECOMMENDATION: Mayor and Council to authorize the project for advertising and bidding to secure a contract price and implement the construction for the improvements shown on the plan.

Agenda Item: Krebs Park Project Plan Modification

Prepared by: Paul Simonton

Presented by: Paul Simonton

PURPOSE: Update the Mayor & City Council with proposed modifications to the site plan for Krebs Park.

BACKGROUND:

- Pickle Ball, by some reports, has become the fastest growing sport in America.
- The original plan for Krebs included replacing the four clay tennis cores with two basketball courts and two hard surface tennis courts.
- Input from the public has suggested that there are many other options in town to play tennis, but no pickle ball courts in Hinesville
- Many of the local residents are traveling to other city's to play pickle ball.
- Six pickle ball courts will fit in the same space as the two tennis courts in the same area as the two tennis courts.
- The pickle ball court installation will require additional nets and separation fence that will add approximately \$8,000 to \$10,000 to the project expense.

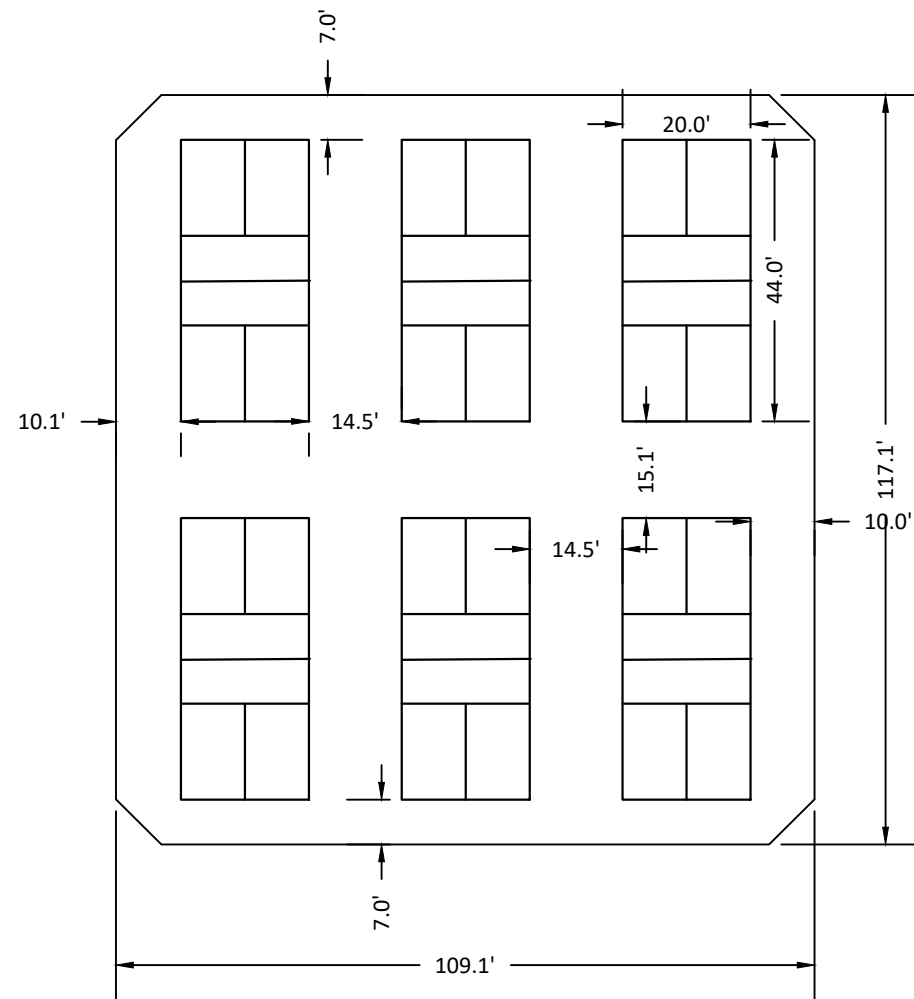

FUNDING: Many unit price items installed are below the allocated amounts in the contract. It is believed that the additional expense can be covered with the under-runs in other areas.

RECOMMENDATION: Mayor and City Council to approve the change to the site plan.

Agenda Item: HFD Fee Schedule Proposed Change

Prepared by: Wendy Bruce Sochia

Presented by: Robert Kitchings

PURPOSE: To Present for Mayor and Council Consideration, discuss adding new items to the Fire Department fee schedule.

BACKGROUND: Inspections of Fire Suppression Systems (Fire Alarms, Sprinkler Systems and Hood Systems) are all completed independently of the construction inspection and fees should be assessed accordingly. There are no specific fees for fire suppression system inspections. The Hinesville Fire Department Bureau of Fire Prevention and Education is proposing the addition of these inspection fees to the city fee schedule.

FUNDING: None

RECOMMENDATION: To approve fees to be added to the fee schedule.

Fee Schedule Proposal

The fee schedule for the Hinesville Fire Department has not been updated since 2005. In this time, the City has seen major growth and the responsibilities of the Bureau of Fire Prevention and Education have increased. Because of the increase in responsibilities, I am requesting additions to our fee schedule associated with new commercial construction plans review and fire suppression system inspections. Inspections of fire suppression systems (fire alarms, sprinkler systems, and hood systems) are all completed independently of the construction inspection and fees should be assessed accordingly. The City is currently charging \$100 for an 80%, 100% and first follow-up inspection on a commercial structure. A fee of \$150 is assessed for a second follow-up. There are no specific fees for fire suppression system inspections. A sprinkler system installation requires a Fire Marshal to perform four separate inspections. The inspections are done in conjunction with installation of the system. Hood suppression system require four separate inspections also conducted during the installation of the hood system. A fire alarm installation requires two separate inspections. In addition to the multiple inspections, each of these systems requires a plans review. We have reached out to municipalities and counties around the State to inquire about fees charged for these inspections and plans review. After much research, The Hinesville Fire Department Bureau of Fire Prevention and Education is proposing the following fees be added to the City's fee schedule:

Plans Review

Sprinkler System Plans Review	\$100 + \$0.50 per head
Fire Alarm Plans Review	\$100 + \$0.50 per device
Commercial Hood Plans Review	\$100
Underground Fire Line Plans Review	\$100

Extra Inspection Fee

When extra inspections are necessary to enforce fire or other applicable codes, due to any of the following reasons, a charge of \$75 for each re-inspection required, as a result of the same violation:

Work not in compliance with code and/or approved drawings
Work not ready for inspection upon arrival
Wrong address
No representative present at time of scheduled inspection

<u>Performing Work Without Permit</u>	\$500
--	-------

"Home for a Day or a Lifetime"

I also request the language be changed regarding the fees associated with new construction inspections. The fee schedule shows a fee of \$150 for a second follow-up inspection. I ask that we amend the language to read "All Subsequent Follow-up Inspections". Changing this language will remove the opportunity for a contractor to argue that there is no mention of fees for any follow-up inspection after the second follow-up.

Thank you for your attention in this matter. I have attached the City's fee schedule and fee schedules from other cities and municipalities for your review.

Date: September 15, 2022

Agenda Item: Hinesville Youth Council Session 4

Prepared by: Lia Jones

Presented by: Councilmember Floyd

PURPOSE: Hinesville Youth Council applications for the 2022-2023 school year are available on the City's webpage and will be extended until September 23, 2022. Please contact City Clerk, Lia Jones for further information.

BACKGROUND: The City of Hinesville ("City") created the Hinesville Youth Council in 2019 to engage young people in local government and governance practices. Since that time, young men and women from the community have been serving on the Youth Council in an effort to gain knowledge of municipal government, develop leadership and public speaking skills and learn more about civic responsibility.

**ENGAGE.
LEARN.
LEAD.**

The City of Hinesville will soon accept applications for its Youth Council. This initiative is focused on gaining knowledge of municipal government, developing leadership, and public speaking skills, as well as promoting a means by which youth can share their perspective. Youth Councils afford the tools, training, and encouragement for teens to apply creativity and energy to affect change in their community.

Apply NOW!

**Applications have been extended until
September 23, 2022**

Dear Mr. Howard,

This letter is on behalf of the Liberty County Boys & Girls Club. We would like to share with you that with the blessing of Ms. Judy Shippey, our club has established that it will resume the hosting of a community Humanitarian of the Year award event. This year's award recipient will be the former Fort Stewart General and Current Secretary of Defense for our United States of America, Secretary Lloyd Austin III. Many people who remember his tour at Fort Stewart thought he is well deserving of the recognition and express excitement about the possibility of him returning to the area. He will be welcomed by many in the coastal area and beyond. We are already receiving responses from national and other elected officials. We have a proposed date of November 18, 2022 to recognize and formally celebrate this servant.

Also, in recognition of the past and present service of Secretary Austin, many military and civilian citizens have suggested that we ask city and county government to consider renaming 15th Street in his honor.

Mr. Howard, we thank you in advance for everything you and the city officials will do to accomplish this act on behalf of such a worthy servant.

If permitted, we will gladly address your mayor and council to answer any questions.

Thanks you for the great consideration you are giving this request. Also, many thanks for all support you give to the children through the Liberty County Boys & Girls Club.

Respectfully,

Edna Walthour, Chairperson
Liberty County Boys & Girls Club
