All work performed by the Company under this Agreement shall be in accordance with applicable legal requirements and pursuant to good and generally accepted industry practices and best management practices for similarly situated contract operators providing similar services at similar facilities.

O. Authority to Contact

The Company covenants and declares that it has obtained all necessary approvals of its board of directors, stockholders, general partners, limited partners or similar authorities to

simultaneously execute and bind Company to the terms of this Agreement, if applicable. Nothing contained or any obligation on the part of Company to be performed under this Agreement shall in any way be contrary to or in contravention of any policy of insurance or surety bond required of Company pursuant to the laws of the State of Georgia.

P. Ownership of Work

All reports, designs, drawings, plans, specifications, schedules, work product and other materials prepared or in the process of being prepared for the Work to be performed by the Company ("Materials") shall be the property of the City, and the City shall be entitled to full access and copies of all such Materials. Any such Materials remaining in the hands of the Company upon completion or termination of the Work shall be delivered immediately to the City. The Company assumes all risk of loss, damage or destruction of or to such Materials. If any Materials are lost, damaged or destroyed before final delivery to the City, the Company shall replace them at its own expense. Any and all copyrightable subject matter in all Materials is hereby assigned to the City, and the Company agrees to execute any additional documents that may be necessary to evidence such assignment.

Q. Nondiscrimination: Drug Free Workplace

In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and all other provisions of Federal law, the Company agrees that, during performance of this Agreement, Company, for itself, its assignees and successors in interest, will not discriminate against any employee or applicant for employment, or any supplier because of race, color, creed, national origin, gender, age or disability. In addition, Company agrees to comply with all applicable implementing regulations and shall include the provisions of this Section IV(R) in every subcontract for services contemplated under this Agreement. Company shall also maintain a Drug Free Workplace.

Section 4. COVENANTS OF THE CITY

A. Right of Entry

The City shall provide for right of entry for Company in order for Company to complete the Work.

B. City's Representative

The City Manager shall be authorized to act on the City's behalf with respect to the Work as the City's designated representative; provided that any changes to the Work or the terms of this Agreement must be approved as provided in Section II above.

Section 5. TERMINATION

A. Upon written notice of not less than one hundred twenty (120) days, either

Party may terminate this Agreement for convenience. Company shall be entitled to compensation due under the terms of this Agreement through the effective date of termination. During the notice period, Company shall assist the City for the purpose of facilitating the City's resumption of the Work. The City and Company acknowledge the importance of the City or its designee engaging then existing employees of Company for the continuation of the Work and for that reason Company agrees not to attempt to maintain employment relationships with more than ten of said existing employees.

B. Either party may terminate this Agreement for a material breach of this Agreement by the other party after giving written notice of the breach and allowing the other party a reasonable time to correct the breach, excepting breaches by City for non-payment of Company's invoices. In the event of the City's failure to pay the Company within thirty (30) days written notice of delinquent payment, the City shall be given reasonable time to correct the breach. Neither party shall terminate this Agreement without giving the other party thirty (30) days' written notice of intent to terminate for a material breach.

C. The City shall have the right to terminate this Agreement partially as to any specific service or services provided by Company by giving at least sixty (60) days advance written notice to Company and specifying the specific service or services that the City desires Company to cease performing. Upon a partial termination, the Compensation Amount shall be reduced pursuant to this Agreement.

D. Upon termination, City shall provide for payment to the Company for services rendered and expenses incurred prior to the termination date.

E. Upon termination, the Company shall: (1) promptly discontinue all services affected, unless the notice directs otherwise; and (2) promptly deliver to the City all data, drawings, reports, summaries, and such other information and materials as may have been generated or used by the Company in performing this Agreement, whether completed or in process, in the form specified by the City.

F. The rights and remedies of the City and the Company provided in this Section are in addition to any other rights and remedies provided under this Agreement or at law or in equity.

G. In the event of full termination, partial termination or expiration of this Agreement, City shall have the option to purchase from Company piece of equipment that is directly attributable to, or in use by, Company in the City at the time of such termination or expiration in connection with the services contemplated herein, or, as to a partial termination, in connection with the eliminated services. The purchase price for such equipment shall be determined by mutual agreement of the Parties as to the fair market value of such equipment. Upon the exercise by the City of its option to purchase the subject equipment, Company shall convey within ten (10) days or upon such other mutually agreed time, all of its rights, title and interest, thereto, to the City by Bill of Sale Absolute or Certificate of Title, as applicable.

H. In the event of the full termination for any reason, partial termination or expiration of this Agreement, Company and City shall cooperate in good faith in order to effectuate a smooth and harmonious transition from Company to City, or to any other person

or entity City may designate, and to maintain during such period of transition the same quality services otherwise afforded to the residents of the City pursuant to the terms of this Agreement.

In the event of the full termination, partial termination or expiration of this Agreement, and in the further event that the City is unable to provide the same level of services at the time of such termination or expiration, the then pending term of this Agreement may be extended by the City for a period of ninety (90) days or until City is capable, in its sole discretion, of rendering such services, whichever occurs sooner. The remuneration to be paid to Company during the transition period shall be based upon actual cost of providing such services during the transition period plus a mutually agreed upon fee, provided, however such fee shall not exceed the Compensation Amount which would be due and owing to the Company for the provision of said services pursuant to a continuation of the terms of this Agreement.

In the event of the full termination, partial termination, or expiration of this Agreement, the City may either accept assignment of Company's current leases and/or agreements for the Project or City may pay any associated buy-out or termination charges, provided, however, prior to entering into any leases or agreements after the effective date of this Agreement which contain buy-out provisions or termination charges in excess of \$1,000.00, Company shall submit the terms of the same to the City Manager for approval in writing prior to entering into such lease or agreement. Failure of the Company to seek such approval in advance from the City Manager shall result in the City having no responsibility under any such lease or agreement.

Section 6. DEFAULT

- (a) An event of default shall mean a breach of this Agreement. Without limiting the generality of the foregoing and in addition to those instances referred to as a breach, an event of default shall include the following:
 - (1) Company has not performed services on a timely basis;
 - (2) Company has refused or failed, except in the case for which an extension of time is provided, to supply enough properly skilled personnel to meet the terms specified under this Agreement;
 - (3) Company has failed to obtain the approval of the City where required by this Agreement;
 - (4) Company has refused or failed, except in the case for which an extension of time is provided, to perform the Work as defined in this Agreement.
- (b) In the event that the Company breaches the Agreement, the City may declare Company in default, notify the Company in writing, and give Company fifteen (15) calendar days to cure the default. If Company fails to cure the default, compensation will only be for any completed professional services minus any damages pursuant to (c) below. In the event payment has been

made for such professional services not completed, Company shall return those sums to the City, within ten (10) calendar days after notice that these sums are due. Nothing in this Section shall limit the City's right to terminate, at any time, pursuant to Section 6 or its right for damages under(c).

- (c) In the event of Default by Company, the Company shall be liable for all damages resulting from the Default.
- (d) The City may take advantage of each and every remedy specifically existing at law or in equity. Each and every remedy shall be in addition to every other remedy specifically given or otherwise existing and may be exercised from time to time as often and in such order as may be deemed expedient by the City. The exercise or the beginning of the exercise of one remedy shall not be deemed to be a waiver of the right to exercise any other remedy. The City's rights and remedies as set forth in this Agreement are not exclusive and are in addition to any other rights and remedies available to the City in law or inequity.

Section 7. NO PERSONAL LIABILITY

Nothing herein shall be construed as creating any individual or personal liability on the part of any City Party. No City Party shall be personally liable to the Company or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Company or successor or on any obligation under the terms of this Agreement. Likewise, Company's performance of services under this Agreement shall not subject Company's individual employees, officers or directors to any personal liability. The Parties agree that their sole and exclusive remedy, claim, demand or suit shall be directed and/or asserted only against Company or the City, respectively, and not against any employee, officer, director, or elected or appointed official.

Section 8. ENTIRE AGREEMENT

This Agreement constitutes the complete agreement between the Parties and supersedes any and all other agreements, either oral or in writing, between the Parties with respect to the subject matter of this Agreement. No other agreement, statement or promise relating to the subject matter of this Agreement not contained in this Agreement shall be valid or binding. This Agreement may be modified or amended only by a written document signed by representatives of both Parties with appropriate authorization.

Section 9. APPLICABLE LAW

If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, the rules, regulations, statutes and laws of the State of Georgia will control. Any action or suit related to this Agreement shall be brought in the Superior Court of Liberty County, Georgia.

Section 10. CAPTIONS AND SEVERABILITY

The caption or headnote on articles or sections of this Agreement are intended for convenience and reference purposes only and in no way define, limit or describe the scope or intent thereof, or of this Agreement nor in any way affect this Agreement. Should any article(s) or section(s), or any part thereof, later be deemed unenforceable by a court of competent jurisdiction, the offending portion of the Agreement should be severed, and the remainder of this Agreement shall remain in full force and effect to the extent possible.

Section 11. NOTICES

Section 12. WAIVER OF AGREEMENT

No failure by the City to enforce any right or power granted under this Agreement, or to insist upon strict compliance by Company with this Agreement, and no custom or practice of the City at variance with the terms and conditions of this Agreement shall constitute a general waiver of any future breach or default or affect the City's right to demand exact and strict compliance by Company with the terms and conditions of this Agreement.

Section 13. NON-ASSIGNMENT

Company shall not transfer, delegate, or assign, including by merger (whether that party is the surviving or disappearing entity), consolidation, dissolution, or operation of law, (1) any discretion granted it under this Agreement, (2) any right that it has to satisfy a condition under this Agreement, (3) any remedy that it has under this Agreement, or (4) any obligation imposed on it under this Agreement. Section 15. SOVEREIGN IMMUNITY

Nothing contained in this Agreement shall be construed to be a waiver of the City's sovereign immunity or any individual's qualified good faith or official immunities.

Section 16. LABOR DISPUTES

In the event activities by the City's employee groups or union causes disruption in Company's ability to perform the Project, the City, with Company's assistance, or Company at its own option, may seek appropriate injunctive court orders during any such disruption, Company shall operate the facilities on a best efforts basis until any such disruptions cease, but Company cannot assure compliance with all contract conditions.

Section 17. FORCE MAJEURE

Neither party shall be liable for damages, delays, or failure to perform its obligations under this Agreement if performance is made impractical, abnormally difficult, or abnormally costly, as a result of any unforeseen occurrence, including but not limited to fire, flood, strike, acts of God, acts of Terrorism or other occurrences, beyond its reasonable control. The party invoking this Force Majeure clause shall notify the other party immediately by verbal communication and in writing of the nature and extent of the contingency within ten (10) working days after its occurrence, and shall take reasonable measures to mitigate any impact of Force Majeure. In the case of Force Majeure events (including Acts of God), the City agrees to pay any costs and expenses (including all overtime charges and additional equipment

charges) that may be necessary to ensure continued compliance with the terms of this Agreement.

Section 18. SURVIVAL

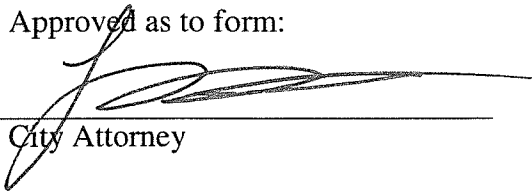

Any terms or conditions of this Agreement that require acts beyond the date of its termination shall survive the termination of this Agreement, shall remain in full force and effect, unless and until the terms and conditions are completed, and shall be fully enforceable by either party.

Section 19. NEGOTIATION

The Parties acknowledge that the terms of this Agreement were jointly negotiated between the Parties, that both Parties were represented by attorneys, and that, in the case of any dispute regarding the terms of this Agreement, the terms should not be construed in favor of or against either party.

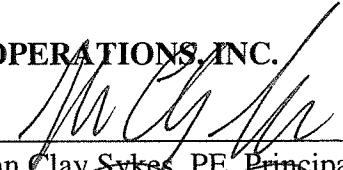

IN WITNESS WHEREOF the City and the Company have executed this Agreement effective as of the date the last Party executes this Agreement.
